

The Libertarian Option

All people have the right to exercise sole dominion over their own lives, and have the right to live in whatever manner they choose, so long as they do not forcibly interfere with the equal right of others to live in whatever manner they choose.

- ☆ Substantially reduce the size and intrusiveness of government, cut all taxes, and repeal most.
- ☆ Let peaceful, honest people offer their goods and services to willing consumers without a hassle from government.
- ☆ Let peaceful, honest people decide for themselves what to eat, drink, read, or smoke, how to dress, medicate themselves, or make love, without fear of criminal penalties.
- ☆ Bring the troops home from everywhere and end our interventionist foreign policy.

Libertarians believe the only purpose of government is to protect life, liberty, and property. The core of our philosophy is ...

You own yourself

You have a right to defend yourself.

- ✓ Focus law enforcement on crimes that involve use of coercion, force or fraud to harm others.
- ✓ Don't restrict the rights of peaceful, law-abiding gun owners.

Your productivity is yours.

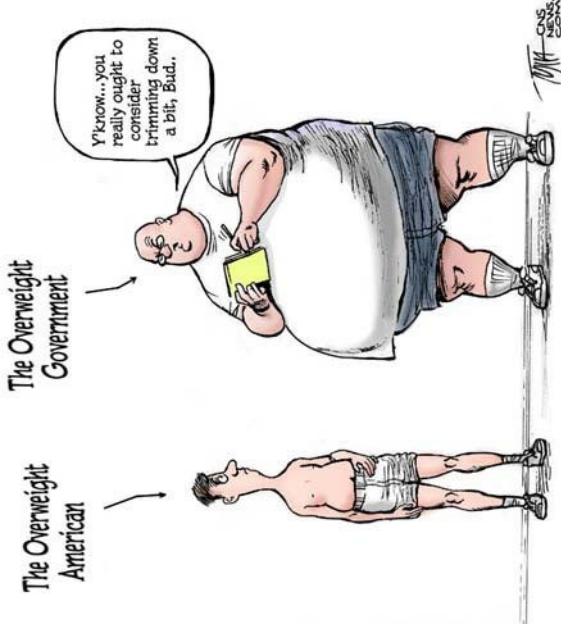

- ✓ Repeal the Federal and State income tax.
- ✓ Terminate all government licenses, fees, and regulations for professions and businesses.
- ✓ Halt corporate welfare and subsidies.

You property is yours to use as you will.

- ✓ Stop forced annexation and government seizure of personal property through eminent domain and asset forfeiture laws.
- ✓ Replace zoning laws with voluntary restrictive covenants

You have a right to do anything you want with your own body.

- ✓ Decriminalize voluntary acts between consenting adults.
- ✓ End the War on Drugs
- ✓ Cease legislating morality.

Your neighbor has these same rights, and you can't take them away or infringe on them.

- ✓ Vigorously prosecute crimes that actually harm others, including the use of force and fraud for any reason
- ✓ Reform our punitive justice system by introducing a system of arbitration and restitution, where criminals have to choose to "make whole" those they have harmed.
